CLIENT TESTIMONIAL

This is to acknowledge that **Mr. S. Somasundaram, Dairy Consultant and Proprietor of SSS DairyTech Consultants**, conducted a **One Day Online Corporate Technical Training Programme on "Quality Assurance, Cleaning-in-Place (CIP) & Dairy Hygiene Management"** for the employees of **Dodla Dairy Limited** on **31 July 2026**.

The one-day online training programme was attended by **69 employees** from the **Quality Assurance, Production and Microbiology Departments**.

The programme was **highly interactive, practical and informative**, providing valuable insights into day-to-day quality, hygiene and food safety challenges encountered in dairy operations. The participants appreciated the practical approach, real-life case studies and process / practices technical discussions, which will assist them in improving product quality, process hygiene, food safety and operational efficiency at plant and field level.

The programme received excellent feedback from the participants. They found the sessions highly relevant to their day-to-day responsibilities and appreciated the practical solutions and troubleshooting approaches presented to address common challenges encountered in dairy operations.

We sincerely appreciate the valuable contribution made by **Mr. S. Somasundaram** in enhancing the technical knowledge and practical understanding of our employees. We wish him every success in his future endeavours.
